 - Calitzdorp - Port wine capital SA
 - Van Wyksdorp - Known for its rich culture, heritage and succulent plants

POTENTIAL PROJECTS FOR INVESTMENT OPPORTUNITIES

APPLICANT	Municipal and Private Sector JV					
PROJECT DESCRIPTION	The concept is to invest in 3 TUK TUK,s which is used to ferry tourists from their B&B's to restaurants and other places of interest in the area and will also be used for events such as the Port & Wine festival, the Apricot festival, etc					
GOAL 1	To provide a cost effective public Transport system that will not only alleviate the above situation but will also provide opportunities for the development of tourism in Bergsig.					
Purpose	Impact	Project Location	Indicative Timeframe	Beneficiary	Skills requirement	Project Estimate
Currently no affordable transport system exists that links Bergsig to the Calitzdorp town. The Tuk Tuks will also help grow tourism as tourists will effectively have taxis that can transport them from B&B's to restaurants and back	At least 3 permanent jobs will be created including the growth in tourism	Calitzdorp, Bergsig	March '18 - August '19	Less affluent population of Calitzdorp who represent at least 60% of the population.	Skills required are competent drivers who also have Tourism Guide accreditation	R280 000

APPLICANT	Municipal and Private Sector JV.					
PROJECT DESCRIPTION	The Deciduous Fruit Industry in partnership with the Western Cape Department of Agriculture and National Treasury has launched a Jobs Fund project to support twenty four (24) black deciduous fruit producers over the next 4-year period.					
GOAL 1	Kannaland's position in deciduous fruit industry – expand / Value added activities in the industry (dried fruit, fruit pulp, fruit juice)					
Purpose	Impact	Project Location	Indicative Timeframe	Beneficiary	Skills requirement	Project Estimate
The partnership between the private sector and government will assist the agricultural sector to materially impact on the footprint of smallholder farmers. Potential investors must provide technical, management and financial support to these farmers to assist them in realising their commercial potential.	Low-skilled job opportunities which could result to a more sustainable job creation. Farm workers can be trained as farmers ect. Not only will it secure work opportunities it will also unlock food security.	Entire Kannaland	2018-2027	Entire Kannaland	South Africa has the skills and upskilling of the local population of Kannaland can take place as the project unfolds.	R120 million

APPLICANT	Western Cape, Municipal and Private Sector					
PROJECT DESCRIPTION	A Game Reserve on the same basis as the Addo Elephant Park can be developed stretching from the Gouritz Reserve to the R62 on the west of Ladismith.					
GOAL 1	Private investors who can be provided concessions to build estates within the reserve and sell units to the general public					
Purpose	Impact	Project Location	Indicative Timeframe	Beneficiary	Skills requirement	Project Estimate
To draw large numbers of tourists.	Below is a list who will benefit from an established game farm: Consultants, engineers, Game wardens, builders, fencers, security, solar power implementers, hospitality personnel	Kannaland and Eden Municipality areas.	2018 -2027	The main beneficiaries will be the population of Kannaland. With entrance gates in the Calitzdorp area, the Zoar area, the Ladismith area and Van Wyksdorp the whole area will benefit dramatically.	South Africa has the skills and upskilling of the local population of Kannaland can take place as the project unfolds.	R150 million

APPLICANT	Western Cape, Municipal and Private Sector.					
PROJECT DESCRIPTION	The Kannaland community has a long history of harvesting and processing wild-growing honeybush. Private and Public investors to unlock and enhance the development of the processing of honey bush tea					
GOAL 1	The supply constraints pose a unique investment opportunity for commercial plantations in the Kannaland municipal area.					
Purpose	Impact	Project Location	Indicative Timeframe	Beneficiary	Skills requirement	Project Estimate
The low set-up costs per hectare and Honey bush tea's suitability for plantation on marginalized mountainous and low rainfall land as the little Karoo makes the Honey bush tea an ideal crop for black economic- and women empowerment agricultural program.	<p>The wild reserves also provide entrepreneurial opportunities for pickers.</p> <p>Emerging farmers will benefit by empowering the unemployed with knowledge and skills</p>	Kannaland and Eden Municipality areas.	2019-2027	The main beneficiaries will be the population of Kannaland. With entrance gates in the Calitzdorp area, the Zoar area, the Ladismith area and Van Wyksdorp the whole area will benefit dramatically.	South Africa has the skills and upskilling of the local population of Kannaland can take place as the project unfolds.	R50 Million

APPLICANT	Western Cape, Municipal and Private Sector.					
PROJECT DESCRIPTION	<p>The ravine or poort is a combination of some of the most beautiful vertical rock folds in the country that combine to form a narrow little pass through which a road winds.</p> <p>Roads should be paved of tarred and drive ins should be made tourism friendly with stay overs throughout the Year.</p>					
GOAL 1	As the historical and open node area of seweweekspoort many projects can be disbursed in the area. This is to mobilise and empower rural communities to take initiatives aimed at control of their own destiny - with the support of government.					
Purpose	Impact	Project Location	Indicative Timeframe	Beneficiary	Skills requirement	Project Estimate
The community of Zoar can be giving the opportunity to drive their own projects by having open markets on open land (roosterbrood, art and culture, the historical art of the Amalienstein and Zoar ect.) The goal of the	Low-skilled and high skilled job opportunities can be created. Local contractors can be part of development. The economic will be stimulating in drawing the tourism sector to the Zoar area!	Zoar	2019-2040	The population of Kannaland and daily tourists. Arts and craft, spazashops.
